Commissioner for Patents

In order to place the case in condition for consideration by the Board of Appeals and Interferences, it was requested that the IDS of 3/30/05 be treated and the Petition of 07/24/06 be reviewed. The IDS, herein enclosed, was previously considered. It is unclear why there is no record of that consideration in the File Wrapper. The petition is hereby considered, and is Denied; the petition lacking a statement by the Assignee in the present application, as required by 37 C.F.R. 1.48 (a) (5).
